

Joe

Thanks for the update. Your group was one of the best I have ever worked with! I told Aaron that they were very professional and the least disruptive of any contractors I have ever worked with. I will be contacting you to set up a blanket PO for general repairs here in Jeannette.

Please tell everyone at Tuscano-Maher that I am totally pleased with your work and you can use my name for any future references needed.

Thanks Again

George M. Yatsko
