Mike:

I am writing this letter on behalf of the Trustees of the Blairsville Volunteer Fire Department. Your company recently removed our old roof and installed a new one on our firehall. The reason for this letter is to let you know how pleased we were with the entire project. Your crew did an excellent job not only on the roof but also with their attitude toward the entire project. There wasn't any type of mess left anywhere on the property. The parking lot, building, roof or anywhere your crew went was always cleaned up afterward. Any questions we had were answered in a very courteous and professional manner. Also the short turn around period from awarding of the bid to completion is very much appreciated. The roof itself is very neatly done and has much more curb appeal than the old one. Once again we would like to thank you and your crew for a job well done.

Thank You,
Paul Cribbs and the B.F.D. Trustees
