IMPROVING YOUR HEALTH.
AND YOUR LIFE.

December 12, 2012

Dear Mr. Mike Maher,

Recently we had TMR Roofing complete a roofing project on the South Wing of the Hospital. This project was completed in a timely manner and they were very consciousness about safety. The job site was kept neat and clean.

When Firestone came to inspect the project for the warranty they found no deficiencies.

In conclusion, I would definitely recommend this company for any up coming projects for our Hospital.

Sincerely,

George Dively, Chief Engineer
